Marcus Delacroix

PRINCIPAL PROGRAMME MANAGER

Montréal, Canada · marcus.delacroix@example.com · +1 514 555 0199

PROFILE

Programme leader with fourteen years of experience delivering complex, regulated technology programmes across financial services, healthcare, and the public sector. Known for calm delivery under pressure and for building the operating rhythm that lets teams do their best work.

PROFESSIONAL EXPERIENCE

Principal Programme Manager

Northwind Financial · Montréal, Canada | Feb 2020 – Present

- Direct a $14M transformation programme spanning payments, fraud, and servicing.
- Chair a cross-functional steering group of 16 senior stakeholders.
- Introduced quarterly outcome reviews that reduced scope churn by 24%.
- Coach five programme managers and two delivery leads.
- Established a vendor scorecard now used across three business units.

Senior Programme Manager

Helix Health Systems · Toronto, Canada | Apr 2016 – Jan 2020

- Delivered a national patient records migration for 210 clinics on schedule.
- Managed a consortium of four vendors and a distributed team of 60.
- Cut onboarding time for new clinics from six weeks to nine days.
- Built the programme's risk framework and chaired the change board.

Programme Manager

Civic Digital Office · Ottawa, Canada | Sep 2013 – Mar 2016

- Led the delivery of a citizen services portal used by 1.2 million residents.
- Introduced accessibility gates that became the department standard.
- Negotiated a shared service agreement across three agencies.

Delivery Lead

Vertex Consulting · Montréal, Canada | Jul 2011 – Aug 2013

- Ran delivery for regulatory reporting engagements at two major banks.
- Built the consulting practice's delivery playbook and onboarding materials.
- Managed budgets, forecasts, and client reporting for a $6M portfolio.
