Elena Vasquez

Product design lead with eleven years of experience

PROFILE

Design leader focused on making complex products feel simple. I build teams that research carefully, decide clearly, and ship with craft.

EXPERIENCE

Lead Product Designer

Cobalt Studio · Barcelona | 2021 – Present

- Lead a team of seven designers across two product lines.
- Rebuilt the design system, reducing UI defects by 34%.
- Introduced a weekly research cadence with 120 participants per year.

Senior Product Designer

Lumen Health · Madrid | 2018 – 2021

- Owned the patient scheduling experience across web and mobile.
- Ran discovery with clinicians and support teams across 40 clinics.
- Launched a booking flow that lifted completion by 22%.

Product Designer

Fieldnote · Valencia | 2015 – 2018

- Designed a collaborative research workspace for universities.
- Built the first version of the component library.

EDUCATION

BA · Graphic Design

Elisava School of Design · Barcelona | 2009 – 2013
